God Of The Impossible

E B
You are the God of miracles
E B F#
For you nothing is impossible
E B F#
There is no limit to your power
E G#m
That conquers the grave
F#
And is mighty to save

G#m E
You are breaking through the night
B F#
Turning darkness into light
G#m E
Every bondage, every chain
B F#
Is broken off in Jesus' Name
G#m E
At Your Word the mountains move
B F#
Nothing is too hard for You
G#m E
You are all You say You are
B F# [back to verse: E B]
You're the God of the impossible [to bridge: G#m E B F#]

G#m E B
Let the lame walk, let the blind see
F# G#m
Let the deaf hear, bring Your liberty
E B
Let Your light shine, so the darkness flees
F# G#m
Heal the broken, heal every disease
E B
Let the dead rise up to life again
F# G#m
Let it be on earth as in Heaven
E B
Heaven break through, we're desperate for You
F# [G#m E B F#]
So come and do the impossible
