

# Holy, Worthy

Isaiah 57:15; Revelation 4:8-11

## Verse 1

**You're the One enthroned above  
In glory  
Yet in mercy God, You dwell within us  
Clothed in majesty and light  
Most holy  
Yet in love You took on flesh to save us**

## Chorus

**You are Holy, You are Worthy, Lord of all  
Our Redeemer, the Restorer of our souls  
[You are greatly to be praised]**

## Verse 2

**Lord of all You rule and reign  
Unrivalled  
You alone are God there is no other  
What else could we do  
But cry out in worship  
Praise be Yours for all eternity**

## Bridge

**God of glory, God of might  
We bow down to lift You high  
We join the host of heaven  
Singing 'holy, holy'  
In our praises be enthroned  
Glory to Your Name alone  
We join our voice as one  
To cry out worthy [are You] Lord**
